

# LUCAS OIL

## ANTI-GEL COLD WEATHER DIESEL TREATMENT

WITH REAL WATER DISPERSANTS

DESIGNED ESPECIALLY  
TO PREVENT COLD FILTER  
PLUGGING

### KEY BENEFITS

- 1 quart treats 150 gallons to -10°F
- ½ gallon treats 300 gallons to -10°F
- Contains no alcohol
- Won't void warranties
- Has no harmful effect on particulate filters

### EFFECTIVE IN ULSD AND BIOFUELS

(Expect bio diesel fuel  
or BIOFUELS to thicken  
at a higher temperature)

PART # 10865 (1 QUART) | PART # 10866 (2 QUARTS)

**IT WORKS!**
