

# ROAD RUNNER

The combined Sodium Chloride pellets, Calcium Chloride pellets, and Magnesium Chloride pellets makes Road Runner one of the fastest acting ice melts that works longer and at lower temperatures.

- Starts to melt ice and snow upon contact
- Fewer applications are needed for impressive results
- Safer on concrete and vegetation than traditional rock salt.
- Melts ice and snow in temperatures down to -15°F

DESCRIPTION	UNIT	PALLET
10 lb. Ice Melt	Bag	240
20 lb. Ice Melt	Bag	120
50 lb. Ice Melt	Bag	50
